OFFICE OF THE EXECUTIVE ENGINEER, CONSTRUCTION DIVISION, THIPPAGONDANAHALLI.

Abstract Notification, dated 4th July 1934.

The attention of the public is invited to the notification calling for tenders for carrying Hardware and other materials from Bangalore to Thippagondanahalli, published in Part VI, pages 880-881 of the *Mysore Gazette*, dated 12th July 1934.

The last date fixed for receiving tenders is 27th July 1934.

Abstract Notification, dated 9th July 1934.

Attention of the public is invited to the detailed notification, dated 5th July 1934, published in the *Mysore Gazette*, dated 19th July 1934, regarding the sale of about 8 to 10 tons of C. I. scraps available at the work-spot at Thippagondanahalli.

Tenders are due in the Office of the Executive Engineer, Construction Division till 3 P.M., on 31st July 1934.

G. SESHAGIRI RAO,
Executive Engineer.

KOLAR DIVISION.

Notification, dated 15th July 1934.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Kolar Division, up to 8th August 1934 for Restoration of Boyanahalli Doddakere, Bowringpet Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of March 1935.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Kolar between the hours of 11 A.M., to 5 P.M., on office days.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rupees in cash or Government Promissory Notes, as earnest money, and be superscribed " Tender for Restoration of Boyanahalli Doddakere, Bowringpet," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, Kolar, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to excute the usual contract bond : in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders, will be returned.

9. The rates are to be entered both in figures and words.

10. Rates once tendered will on no account be increased afterwards.

11. Tenders stating that the dues in the Department may be adjusted towards "earnest money," will be rejected.
